

We are grateful for the opportunity to serve you. It is our goal to provide an excellent patient experience and high quality care. A new year has begun and changes have been instituted to better serve you.

Here's a quick checklist to go through as you work with us on scheduling and/or registering for your next appointment:

**Check with us to see if our Outpatient Program is now covered by your specific insurance plan or if your benefits have changed.**

**Check in at the welcome center lobby level at our registration area for your outpatient appointment.**

**The current contracted insurances for LCPA are as follows: Aetna, Concern, Humana (LifeSynch), United Behavioral Health effective date January 1, 2011 and Cigna and Medical Mutual effective date February 1, 2011.**

**The new year has brought some new charges for 2011, ask your practitioner, or call the billing office at 536-0200 regarding the price changes for 2011.**

Thank you for your attention and cooperation.
